Govt. officer to the correctness of the allegations made by the petitioner and states that the allowance was stopped in accordance with the scale of expenditure sanctioned in Govt. Pro: No. 5530-2, dated 28th May 1905.

A printed copy of the Govt. order referred to above is put up. Under that order, a re-distribution has been made of the Cha Grams in the Shimoga district and their Jasdik grants revised. As regards the Cha Gram at Honnali in particular, it is observed that its Jasdik was reduced from Rs 538-8-0 to Rs 492/- per annum, and its establishment was revised, some of the Cha Gram servants having been dispensed with and increase of pay given to ^{the} others. It is also observed that an allowance of 28 seers of rice to "one Nehimidar" has been altogether done away with in accordance with the proposals ~~proposed~~ made by the then Deputy Commissioner Mr. M. S. Narayana Rao

trams in the Shimoga District.

Letter No. 100/25 dated 2nd August 1906 from the ---
Deputy Commissioner of the Shimoga District forwarding, for or-
ders of Government, a petition from Tammanna Char of Honnali prar-
ing for the revival of the Nehimi allowance which has been en-
joyed by him from the Government Annachattram at the place.

Order thereon No. *1292* Dated Bangalore *25th* August 1906.
Guy

From the Deputy Commissioner's letter it ap-
pears that one Tammannachar of Honnali ^{was} in receipt of 28 seers of
rice per mensem from the Government Annachattram at Honnali ever
since the year 1869; but that the allowance was stopped from
July last, when a revised scale of expenditure in the chattram
was sanctioned by Government. He recommends the continuance of
the allowance on the ground that the said Tammannachar is old
and blind of both eyes.

The Government observe that the petitioner's case

was not specially represented to them when the revised scale of
expenditure in the Chattram was recommended by the Deputy Commis-
-sioner Mr. M. S. Narain Rao

Under the circumstances now reported they are
pleased to sanction and to direct that the Chattram's allowance of
rice viz., one seer 60 lbs per day be revised
from the date of its stoppage and made payable from the feeding
allotment of the Vernakal Chattram.
